Secured Party shall have the right to take immediate possession of the Collateral, with or without process of law, and for that purpose Secured Party may enter upon any premises on which the Collateral or any part thereof may be situated and remove the same therefrom. Secured Party may require Debtor to assemble the Collateral and make it available to Secured Party at a place to be designated by the customarily sold on a recognized market, Secured Party will send Debtor reasonable notice of the time and place of any public sale thereof or of the time after which any private sale or other disposition thereof is to be made. The requirement of sending a reasonable notice shall be met if such notice is mailed, postage prepaid, to Debtor at the address designated at the beginning of this Security Agreement at least five days before the time of the sale or disposition. Expenses of retaking, holding, repairing, improving, maintaining, preparing for sale, selling or the like shall include secured Party's reasonable attorney's fees and legal expense, plus interest thereon at a rate per annum in all times equal to the highest lawful contract rate permitted by applicable law of the State of Texas, and shall constitute additional Obligations of Debtor which shall be due on demand and which shall be secured by and entitled to the benefits of this Security Agreement. If the proceeds of any sale or other lawful disposition by Secured Party of the Collateral following its retaking, are insufficient to pay the expenses of retaking, repairing, holding, preparing the Collateral for sale, selling it and the like, to satisfy the Obligations of Debtor to Secured Party, then Debtor agrees to pay any deficiency, but Debtor shall be entitled to any surplus if one remains after lawful application of all of such proceeds.

(c) Secured Party may remedy any default and may waive any default without waiving the default remedied or without waiving any other prior or subsequent default.

(d) It is the intention of the parties hereto to comply with the usury laws of the State of Texas; accordingly, it is agreed that notwithstanding any provision to the contrary in this Security Agreement, or in any of the documents evidencing the Obligations or otherwise relating thereto, no such provision shall require the payment or permit the collection of interest in excess of the maximum permitted by law. If any excess of interest in such respect is provided for, or shall be adjudicated to be so provided for, in this Security Agreement, or in any of the documents evidencing the Obligations or otherwise relating thereto, then in such event (a) the provisions of this paragraph shall govern and control, (b) neither the Debtor himself nor his heirs, legal representatives, successors or assigns or any other party liable for the payment hereof, shall be obligated to pay the amount of such interest to the extent that it is in excess of the maximum amount permitted by law, (c) any such excess which may have been collected shall be, at the option of the holder of the instrument evidencing the Obligations, either applied as a credit against the then unpaid principal amount thereof or refunded to the Maker thereof and (d) the effective rate of interest shall be automatically subject to reduction to the maximum lawful rate allowed to be lawfully contracted for by Debtor under the usury laws of the State of Texas as now or hereafter construed by the courts having jurisdiction.

(e) The remedies of Secured Party hereunder are cumulative, and the exercise of any one or more of the remedies provided herein shall not be construed as a waiver of any of the other remedies of Secured Party.

VII. GENERAL:

(a) Any provision hereof found to be invalid under the law of the State of Texas, or any other State having jurisdiction, shall be invalid only with respect to the offending provision. All words used herein shall be construed to be of such gender or number as the circumstances require. If this Security Agreement is executed by more than one Debtor the obligations of all such Debtors shall be joint and several. This Agreement shall be binding upon the heirs, personal representatives, successors or assigns of the parties hereto, but shall inure to the benefit of successor or assigns of the Secured Party only. The law of the State of Texas shall apply to this Agreement and its construction and interpretation.

(b) Any carbon, photographic or other reproduction of any financing statement signed by Debtor is sufficient as a financing statement for all purposes, including without limitation, filing in any state as may be permitted by the provisions of the

sufficiently given if mailed to the Debtor by Secured Party within such 20-day period.

(b) The term "account", as used in this Security Agreement shall have the same meaning as set forth in the Uniform Commercial Code of Texas in effect as of the date of execution hereof, and as set forth in any amendment to the Uniform Commercial Code of Texas to become effective after the date of execution hereof, and also shall include all present and future notes, instruments, documents, general intangibles, drafts, acceptances and chattel paper of Debtor, and the proceeds thereof. As of the time any account becomes subject to such security interest, Debtor shall be deemed to have warranted as to each and all of such accounts (i) that each account and all papers and documents relating thereto are genuine and in all respects what they purport to be, (ii) that each account is valid and subsisting and arises out of a bona fide sale of goods sold and delivered to, or out of and for services theretofore actually rendered by the Debtor to, the account debtor named in the account, (iii) that the amount of the account represented as owing is the correct amount actually and unconditionally owing except for normal cash discounts and is not subject to any set-offs, credits, deductions or counter-charges, (iv) that the Debtor is the owner thereof free and clear of all liens, encumbrances and security interest of any and every nature whatsoever.

(c) Secured Party shall have the right in its own name or in the name of the Debtor, whether before or after default by the Debtor, to demand, collect, receive, receipt for, sue for, compound and give acquittal for, any and all amounts due or to become due on the accounts and to endorse the name of the Debtor on all commercial paper given in payment or part payment thereof, and in its discretion to file any claim or take any other action or proceeding which Secured Party may deem necessary or appropriate to protect and preserve and realize upon the Security Interest of Secured Party in the Collateral. In order to assure collection of receivables in which Secured Party has a security interest hereunder, Secured Party may notify the post office authorities to change the address for delivery of mail addressed to Debtor to such address as Secured Party may designate, and to open and dispose of such mail and receive the collections of accounts receivable included herewith.

(d) Debtor will from time to time execute such further instruments and do such further acts and things as Secured Party may reasonably require by way of further assurance to Secured Party an assignment or other form of identification in the form required by Secured Party of all accounts at any time included in the computation of the Loan Formula, together with such other evidence of the existence and identity of such accounts as Secured Party may reasonably require; and Debtor will mark its books and records to reflect the assignment of any such accounts, or other accounts which are included within the Security Interest specified in Section 1 hereof. Debtor will accompany each transmission of proceeds to Secured Party pursuant to subparagraph (a) above with a report in such form as Secured Party may require in order to identify the accounts to which such proceeds apply.

(e) Returned or repossessed goods arising from or relating to any accounts included within the security interest specified in Section 1 hereof shall if requested by Secured Party be held separate and apart from any other property. Debtor shall as often as requested by Secured Party, but not less often than weekly even though no special request has been made, report to Secured Party the appropriate identifying information with respect to such returned or repossessed goods relating to accounts included in assignments or identifications which remain unpaid in whole or in part beyond the period specified in the third sentence of the first paragraph of Section III hereof, or in respect of which set-offs, defenses or counterclaims are claimed by the account debtor. The Debtor shall forthwith pay and apply on its indebtedness to Secured Party an amount equal to the Loan Formula value of all accounts included in such reports.

IV. PROVISIONS REGARDING INVENTORY. The following provisions shall apply to all inventory included within the Collateral:

(a) As used herein, "Net Security Value of Inventory" shall mean the net value of all inventory after taking into account charges, liens and security interests (other than the interest of Secured Party), of all kinds against inventory, changes in the market value thereof, and all transportation, processing and other handling charges affecting the value thereof, all as determined by Secured Party in its sole discretion, which determination shall be final and binding upon Debtor. The term "Borrowing Base" shall mean an amount equal to N/A % of the Net Security Value of Inventory. Whenever the Borrowing Base is used as a measure of loans, it shall be computed as of and applied to the loans outstanding at the time in question.

(b) Although it is within Secured Party's discretion whether to extend credit pursuant hereto, Debtor understands Secured Party will use the Borrowing Base as a maximum ceiling on loans. Debtor agrees that, unless otherwise agreed by Secured Party in writing, the outstanding principal balance of loans hereunder together with interest due and unpaid thereon will at no time exceed the Borrowing Base, and agrees that if at any such time such excess shall arise, Debtor shall make payments in cash, on demand, in reduction of such interest and principal, in such amount as may be necessary to eliminate such excess.

(c) Debtor shall immediately notify Secured Party of any event causing loss or depreciation in value of the Collateral and the amount of such loss or depreciation, which amount shall be immediately reflected in the Net Security Value of Inventory unless otherwise agreed by Secured Party in writing. Debtor will deliver to Secured Party prior to the 10th day of each month a report, in form satisfactory to secured Party, with respect to the last preceding month, showing Debtor's opening inventory, inventory acquired, inventory sold and delivered, inventory sold and held for future deliver, inventory returned or repossessed, inventory used or consumed in Debtor's business and closing inventory.

(d) Debtor will promptly notify Secured Party in writing of any addition to, change in or discontinuance of its place(s) of business as shown in this agreement, the places at which inventory is located as shown herein, the location of its chief executive office and the location of the office where it keeps its records as set forth herein. All Collateral will be located at the place(s) of business shown at the beginning of this agreement and in Section I as modified by any notice(s) given pursuant hereto.

(e) Until default, Debtor may use the inventory in any lawful manner not inconsistent with this agreement or with the terms or conditions of any policy of insurance thereon and may also sell that part of the Collateral consisting of inventory provided that all of such sales are in the ordinary course of business. A sale in the ordinary course of business does not include a transfer in

partial or total satisfaction of a debt. Until default, Debtor may also use and consume any raw materials or supplies, the use and consumption of which are necessary in order to carry on Debtor's business.

(f) All accounts which are proceeds of the inventory collateral covered hereby shall be subject to all of the terms and provisions hereof pertaining to accounts.

V. GENERAL COVENANTS.

(a) Debtor will furnish to Secured Party a landlord's waiver of all liens with respect to any Collateral covered by this Security agreement which is or may be located upon leased premises, such landlord's waiver to be in the form acceptable to counsel for Secured Party.

(b) Debtor agrees to execute and deliver such Financing Statement or Statements, or amendments thereof or supplements thereto, or other instruments as Secured Party may from time to time require in order to comply with the Texas Uniform Commercial Code (or other applicable State law of the jurisdiction where any of the Collateral is located) and to preserve and protect the security interest hereby granted.

(c) Secured Party may, at its option, whether before or after default, but without obligation to the Debtor, discharge taxes, lien or security interests or other encumbrances at any time levied or placed upon the Collateral, and may place and pay for insurance thereon, or pay for the repair, improvement, maintenance and preservation of the Collateral and pay any filing or recording fees necessary to preserve and protect the security interest hereby granted. The Debtor agrees to reimburse Secured Party on demand for any payment made or any expense incurred by the Secured Party pursuant to the foregoing authorization, and such amount shall constitute additional obligations of Debtor which shall be secured by and entitled to the benefits of this Security Agreement. Debtor agrees to pay interest on such amounts at the rate of ten percent (10%) per annum from the date such are incurred by Secured Party until paid by Debtor.

(d) Secured Party shall have the right at any time, in its own name or in the name of Debtor, whether before or after default by Debtor, to notify any and all account debtors to make payment thereof directly to Secured Party and to demand, collect, receive, receipt for, sue for, compound for and give acquittal for, any and all amounts due or to become due on the accounts and to endorse the name of the Debtor on all commercial paper given in payment or part payment thereof, and in its discretion to file any claim or take any other action or proceeding which Secured Party may deem necessary or appropriate to protect and preserve and realize upon the security interest of Secured Party in the Collateral; but to the extent Secured Party does not so elect, Debtor shall continue to collect the accounts. Except as otherwise permitted by the proviso to this sentence, all proceeds of collection of accounts received by the Debtor shall forthwith be accounted for and transmitted to Secured Party in the form as received by Debtor and shall not be commingled with any funds of the Debtor; provided, however, that prior to default by Debtor in the payment of any Obligations to Secured Party or until the privilege given to Debtor by this proviso shall be revoked by Secured Party in writing, the Debtor need transmit to secured Party only the proceeds of accounts included in the identification or assignment made pursuant to Section III (d) hereof.

(e) Debtor shall at all reasonable times allow Secured Party by or through any of its officers, agents, attorneys or accountants, to examine or inspect the Collateral wherever located and to examine, inspect and make extracts from Debtor's books and records. Debtor shall do, make, execute and deliver all such additional and further acts, things, deeds, insurances, instruments as Secured Party may require, to more completely vest in and assure to Secured Party its rights hereunder and in or to the Collateral.

(f) Debtor shall have and maintain at all times with respect to all tangible collateral covered hereby insuring against risks of fire (including so-called extended coverage), theft and other risks as Secured Party may reasonably require, containing such terms, in such form and amounts and written by such companies as may be reasonably satisfactory to Secured Party, all of such insurance to contain loss payable clauses in favor of Secured Party as its interest may appear. All policies of insurance shall provide for ten (10) days written cancellation notice to Secured Party and at request of Secured Party shall be delivered to and held by it. Secured Party is hereby authorized to act as attorney for Debtor in obtaining, adjusting, settling and canceling such insurance and endorsing any drafts or instruments. Secured Party shall be authorized to apply the proceeds from any insurance to the Obligations secured hereby whether or not such Obligations are then due and payable.

(g) Any and all deposits or other sums at any time credited by or due from Secured Party to Debtor shall at all times constitute additional security for the Obligations and may be set off against any obligation at any time whether or not they are then due or other security held by Secured Party is considered by Secured Party to be adequate. At any time after default, any and all instruments, documents, policies and certificates of insurance, securities, goods, accounts, choses in action, chattel paper, general intangibles, cash, property and the proceeds thereof owned by Debtor or in which Debtor has an interest which after default hereunder are at any time in possession or control of Secured Party or in transit by mail or carrier to or from Secured Party or in the possession of a third party acting for Secured Party's benefit, without regard to whether Secured Party receives the same in pledge, for safekeeping, as agent for collection or transmission or otherwise, shall constitute additional security for obligations of Debtor and may be applied at any time toward Obligations which are then due whether by acceleration or otherwise.

(h) If Secured Party should at any time be of the opinion that the Collateral is not sufficient or has declined or may decline in value, or should Secured Party deem payment of debtor's Obligations to Secured Party to be insecure, then Secured Party may call for additional Collateral satisfactory to Secured Party, and Debtor promises to furnish such additional security forthwith. The call for additional collateral may be oral, by telegram, or United States mail addressed to Debtor and shall not affect any other subsequent right of Secured Party to exercise the same. Debtor agrees that Secured Party shall have no duty or obligation to collect any account, or to take any other action to preserve or protect the Collateral; however, should Secured Party elect to collect any account or take possession of any Collateral, Debtor releases Secured Party from any claim or claims for loss or damage arising from any act or omission in connection therewith.

VI. EVENTS OF DEFAULT:

(a) Debtor shall be in default under this Security Agreement upon the happening of any of the following events or conditions (herein sometimes called an "Event of Default"): (i) failure of Debtor to pay when due any interest on or any principal or installment of principal of any Obligation of Debtor to Secured Party; (ii) the occurrence of any event which under the terms of any evidence of indebtedness, indenture, loan agreement, security agreement or similar instrument permits the acceleration of maturity of any indebtedness of Debtor to Secured Party, or to others than Secured Party; (iii) any representation or warranty made by Debtor herein or made in any statement or certificate furnished to Secured Party by the Debtor pursuant hereto or in connection with any loan or loans proves incorrect in any material respect as of the date of the making or issuance thereof; (iv) default occurs in the observance or performance by Debtor of any provision of this agreement or of any note, assignment or transfer under or pursuant thereto; (v) the dissolution, termination of existence, insolvency or business failure of the Debtor, or the application for the appointment of a receiver of any part of the property of the Debtor, or the commencement by or against the Debtor of any proceeding under any bankruptcy arrangement, reorganization, insolvency or similar law for the relief of debtors, or by or against any guarantor or surety for the Debtor, or upon the service of any warrant, attachment, levy, garnishment or similar process in relation to a tax lien, debt, judgment, obligation of Debtor or assessment; or (vi) the Collateral becomes, in the judgment of Secured Party, unsatisfactory or insufficient in character or value.

Secured Party shall have the right to take immediate possession of the Collateral, with or without process of law, and for that purpose Secured Party may enter upon any premises on which the Collateral or any part thereof may be situated and remove the same therefrom. If the proceeds of any sale or other lawful disposition by Secured Party of the Collateral following its retaking, are insufficient to pay the expenses of retaking, repairing, holding, preparing the Collateral for sale, selling it and the like, to satisfy the Obligations of Debtor to Secured Party, then Debtor agrees to pay any deficiency, but Debtor shall be entitled to any surplus if one results after lawful application of all of such proceeds.

(c) Secured Party may remedy any default and may waive any default without waiving the default remedied or without waiving any other prior or subsequent default.

(d) It is the intention of the parties hereto to comply with the usury laws of the State of Texas; accordingly, it is agreed that notwithstanding any provision to the contrary in this Security Agreement, or in any of the documents evidencing the Obligations or otherwise relating thereto, no such provision shall require the payment or permit the collection of interest in excess of the maximum permitted by law. If any excess of interest in such respect is provided for, or shall be adjudicated to be so provided for, in this Security Agreement, or in any of the documents evidencing the Obligations or otherwise relating thereto, then in such event (a) the provisions of this paragraph shall govern and control, (b) neither the Debtor hereof nor his heirs, legal representatives, successors or assigns or any other party liable for the payment hereof, shall be obligated to pay the amount of such interest to the extent that it is in excess of the maximum amount permitted by law, (c) any such excess which may have been collected shall be, at the option of the holder of the instrument evidencing the Obligations, either applied as a credit against the then unpaid principal amount thereof or refunded to the Maker thereof and (d) the effective rate of interest shall be automatically subject to reduction to the maximum lawful rate allowed to be lawfully contracted for by Debtor under the usury laws of the State of Texas as now or hereafter construed by the courts having jurisdiction.

(e) The remedies of Secured Party hereunder are cumulative, and the exercise of any one or more of the remedies provided herein shall not be construed as a waiver of any of the other remedies of Secured Party.

All words used herein shall be construed to be of such gender or number as the circumstances require.
